

**VASCULAR PLANT SPECIES for Coul Links non-SSSI between SSSI boundary & Embo football pitch  
(Andrew Weston. Mainly 27 July 2016)**

- Acer pseudoplatanus (naturalised) R  
Achillea millefolium LF  
Achillea ptarmica L  
Aegopodium podagraria (naturalised) LA  
Agrostis canina LF  
Agrostis capillaris O  
Agrostis stolonifera LF  
Angelica sylvestris R  
Antennaria dioica (NH81609322) R **NEW BSBI**  
Anthoxanthum odoratum O  
Ammophila arenaria LD  
Anthyllis vulneraria (NH81749314, NH81679328) LA  
Arctium minus (NH81629310) **NEW BSBI**  
Arrhenatherum elatius LD  
Astragalus danicus (NH81649323, NH81699330,  
NH81609322) LF  
Atriplex prostrata L  
Avenula pratense A  
Avenula pubescens A  
Bellis perennis L  
Betula pendula R  
Betula pubescens L  
Blechnum spicant (NH81469318) R **NEW BSBI**  
Botrychium lunaria (June) R (no GR)  
Cakile maritima (NH81689331) L  
Calluna vulgaris L  
Caltha palustris R  
Campanula rotundifolia F  
Carex binervis R  
Carex demissa LF  
Carex flacca LF  
Carex lepidocarpa R  
Carex nigra LF  
Carex arenaria O  
Carex panicea R  
Carex pulicaris (NH81459324) LF  
Centaurea nigra LF  
Cerastium fontanum triviale L  
Cirsium palustre L  
Cirsium vulgare R  
Cochlearia officinalis R  
Coeloglossum viride (NH81649323, NH81599331,  
NH816293230) R? **NEW BSBI**  
Comarum palustre (NH81419326) R  
Crataegus monogyna R  
Cynosurus cristatus R  
Cytisus scoparius R  
Dactylis glomerata L  
Dactylorhiza maculata (NH81469318) L  
Dactylorhiza purpurella L  
Danthonia decumbens (NH81519329) R  
Deschampsia cespitosa cespitosa R  
Deschampsia flexuosa L  
Dryopteris dilatata R  
Dryopteris filix-mas R  
Eleocharis quinqueflora (NH81419326) RL **NEW BSBI**  
Elytrigia repens LF  
Empetrum nigrum LF  
Epilobium angustifolium LF  
Equisetum arvense R  
Eriophorum angustifolium RL  
Erica cinerea LF  
Erica tetralix LA  
Eriophorum angustifolium LF  
Euphrasia agg. O  
Ulex europaeus LD  
Euphrasia officinalis agg O  
Festuca ovina LF  
Festuca rubra F  
Filipendula ulmaria O  
Galium palustre L  
Galium saxatile LF  
Galium verum F  
Gentianella amarella (NH81649323, NH81649321,  
NH81609322, NH81609328, NH81649324,  
NH81619328, NH81679320) L **NEW BSBI**  
Glechoma hederacea LF  
Helianthemum nummularium A  
Heracleum sphondylium LF  
Hieracium pilosella LF  
Holcus lanatus A  
Holcus mollis O  
Hydrocotyle vulgaris LF  
Hypericum pulchrum LF  
Hypochaeris radicata O  
Iris pseudacorus (NH81609332) R  
Juncus articulatus R  
Juncus bufonius R  
Juncus conglomeratus R  
Juncus effusus R  
Juncus squarrosus O  
Juniperus communis communis (NH81469318) R  
Kniphofia uvaria (alien) NH81729312  
Koeleria macrantha L  
Lathyrus linifolius montanus L  
Lathyrus pratensis L  
Leymus arenarius LF  
Leontodon autumnalis LF  
Linum catharticum LF  
Lolium perenne R  
Lotus corniculatus LF  
Luzula campestris O  
Luzula multiflora O  
Matricaria maritima R  
Molinia caerulea R  
Nardus stricta LF  
Narthecium ossifragum LF  
Neottia ovata (NH81539326, NH81529328, NH81609322) LA  
**NEW BSBI**  
Odontites vernus vernus NH81649330) LF **NEW BSBI**  
Oenanthe crocata (NH81559333) L  
Ononis repens (NH91699325) LF  
**NEW BSBI**  
Oreopteris limbosperma (NH81469318) R **NEW BSBI**  
Parnassia palustris (NH81649323, NH81649322,  
NH81609322) LF  
Pedicularis palustris (NH81439325) R  
Pinguicula vulgaris (NH81419326) R **NEW BSBI**  
Pinus sylvestris R  
Plantago lanceolata LF  
Plantago major L  
Plantago maritima (NH81629320, NH81639323) L  
Poa pratensis O  
Potamogeton polygonifolius L  
Potentilla anserina LF  
Potentilla erecta LF  
Pteridium aquilinum LD  
Prunella vulgaris O

Ranunculus acris O  
Ranunculus flammula LA  
Rhinanthus minor R  
Rosa spinosissima A  
Rosa rugosa (alien) L  
Rubus fruticosus agg LF  
Rubus idaeus LF  
Rumex acetosa O  
Rumex acetosella R  
Rumex crispus R  
Rumex obtusifolius R  
Salix aurita L  
Salix cinerea LF  
Salix repens A  
Schedonorus arundinaceus (NH81629331, NH81609332,  
NH81559333) LD  
Senecio jacobaea R  
Sonchus oleraceus L  
Stachys palustris LF  
Stellaria graminea O  
Succisa pratensis O  
Symphytum officinale (alien) (NH81629310) R  
Thalictrum minus LF  
Thymus praecox arcticus LF  
Tripleurospermum maritimum R  
Triglochin [palustris] R  
Trifolium pratense O  
Trifolium repens F  
Tussilago farfara L  
Ulex europaeus LF  
Vaccinium myrtillus (NH81469318) R  
Valeriana officinalis LF  
Veronica chamaedrys O  
Vicia cracca O  
Vicia sativa R  
Vicia sepium O  
Viola palustris O  
Viola riviniana O

#### Other species heard or seen (2016)

Willow warbler  
Whitethroat (breeding)  
Stonechat  
Reed bunting  
Linnet  
Redpoll  
Meadow pipit  
Sand martin  
Swallow  
Skylark  
Great skua  
  
Viviparous lizard  
  
Dark green fritillary butterfly  
Common blue butterfly  
Meadow brown butterfly  
Small heath butterfly  
Small tortoiseshell butterfly  
Grayling butterfly  
6-spot burnet moth

#### SSSI notable or new BSBI records:

Hypericum maculatum (NH81599372, NH81639347) LA  
**NEW BSBI**  
Juniperus communis communis (H81579356, NH81579352,  
NH81529349 & NH81579344) LF (concentration of  
20-30 bushes in small area)  
Neottia cordata (NH80529486, NH80549486) **NEW BSBI**  
Ononis repens (NH81669331, NH81659349) LA **NEW BSBI**

Viviparous lizard (NH80599493)

#### NB from Tom

To convert to Excel: add two columns for eastings and northings. If you have more than one grid ref for a rare or unusual species, add another row
